MEDICAL REQUISITES—RAM MOHAN PALACE

362. Dr. S. S. Rao *(Nominated):*

Will Government be pleased to state whether any steps have been taken to procure the best and needed type of medical requisites from the Military Hospital attached to Ram Mohan Palace?

Mr. B. V. K. Menon *(Chief Secretary to Government):*

There is no information that the medical requisites of the Military Hospital in the Ram Mohan Palace are to be disposed of and so no steps have been taken to procure any.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* May I know whether any enquiry has been made subsequent to the receipt of this question? Will the Government be pleased to make enquiry with regard to the medical requisites from the Military Hospital attached to Ram Mohan Palace?

Mr. President: The position is this. Government have been making enquiries as to the approximate date when the army will be in a position to return the Ram Mohan Palace to the State. So far there has been no definite information on that point. Until that point is settled it seems to me to be premature to make any enquiry about the contents of that hospital.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* May I know whether Government will be pleased to procure them?

Mr. President. Order, order, I have already indicated to the Hon'ble Member that such an enquiry would now be premature.

Mr. P. Kumaran Ezhuthassan *(Vadakkanchcri):* Will it be undertaken at the proper time?

Mr. President: That goes without saying.

CATTLE—EXPORT AND IMPORT OF

363. Mr. V. R. Krishnan Ezhuthassan *(Oorakam):* Will Government be pleased to state.—

(*a*) The number of cattle imported into the State during each of the years 1117, 1118, 1119 and 1120;

(*b*) the number of cattle exported during the above years?

Mr. B. V. K. Menon *(Chief Secretary to Government):*

(*a*) Prior to 29th Edavam 1118 (12th June 1943, there was no restriction on export of cattle and prior to 11th Kanni 1119 (27th September 1943, there was no restriction on imports either. Figures for 1117 and 1118, which are years prior to the above dates, are not available. Figures for 1119 and 1120 are given below.

Year	*Import*	*Export*
1119	59 Milch cattle and 10 work animals	5 Milch cattle.
1120	330 Milch cattle and 122 work animals	26 Milch cattle and 6 work animals.

Mr. V. R. Krishnan Ezhuthassan *(Oorakam):* May I know how many of these applicants had been given permits for importing cattle?

Mr. B. V. K. Menon *(Chief Secretary to Government):* I want notice.

Mr. V. R. Krishnan Ezhuthassan *(Oorakam):* Have all these applicants been given permit for import?

Mr. B. V. K. Menon *(Chief Secretary to Government):* I think that they would have been given permits provided that they were able to satisfy the conditions.

Mr. Jos K. Verghese *(Trichur-South):* What was the quota for 1119 and 1120?

Mr. B. V. K. Menon *(Chief Secretary to Government):* The original quota was 50 per month. It was subsequently increased to 100.

Mr. V. R. Krisnnan Ezhuthassan (*Oorakam*) : May I know what was the reason for the non-importation of the whole quota?

Mr. B. V. K. Menon (*Chief Secretary to Government*): Apparently the demand here seems to have been more for milch cattle and even in the total quota allowed by the Madras Government they restricted export of the milch cattle to 32 per cent of the quota.

Mr. V. R. Krishnan Ezhuthassan (*Oorakam*): Are the Government aware that thousands of cattle are imported from outside into the State?

Mr. B. V. K. Menon *(Chief Secretory to Government)* : Government are aware of that and it is on account of the strenuous representations made to the Government of Madras and the Central Government that we heve been able to get this quota.

Mr. V. R. Krishnan Ezhuthassan *(Orakam)*: If that were the case, can he Government give any reason why the whole quota was not imported?

Mr. B. V. K. Menon *(Chief Seeretary to Government)*: The only reason that Government have for the non-importation of the quota is probably their requirements were more for milch cows. Government are not aware of any other reason why the total quota was not made use of here.

Mr. V. R. Krishnan Ezhuthassan *(Oorakam)* : Is it because it is difficult to procure the quotas and to get facilities for import?

Mr. B. V. K. Menon *(Chief Secretary to Government)* : No, Sir. We have not received any such representation from any quarter.

Mr. V. R. Krishnan Ezhuthassan *(Oorakam)*: Was the deficit covered by smuggling?

Mr. B. V. K. Menon *(Chief Secretary to Government)* : Not to the Government's knowledge.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri)*: May I know what the Government position is, whether the import of 1120 has specified the needs of the agricultural population of the State?

Mr. B. V. K. Menon *(Chief Secretary to Government)*: We can't say. We have been allowed a definite quota. Permits have been issued for the import of this quota. People have not imported. That is all what I know.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri)*: May I know whether it is the decision of the Government to give licenses to all people who have applied for it?

Mr. President: Up-to the limit of the quota.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri)* : But less than the limit of the quota is imported.

Mr. B. V. K. Menon *(Chief Secretary to Government)*: If the applicants have fulfilled the conditions necessary for getting the permit: Government are not aware of any single instance where such a permit has been refused.

Mr. V. R. Krishan Ezhuthassan *(Oorakam)*: Are the Government aware that this 102 animals for 1119 and 1120 have fully satisfied the needs of the agriculturits of the State?

Mr. President: That question has already been put once. Hon'ble Members should not put the same question time after time.

മിസ്റ്റർ ബി. വി. കെ. മേനോൻ: അതിനെപ്പറ്റി ആലോചിക്കാം.

Mr. V. R. Krishnan Ezhuthassan *(Oorakam)*: Is not smuggling surer and cheaper than the procuring of quota?

Mr. President: Order, order. I can't allow questions which contain insinuations of that sort.
